

**REMARKS**

This amendment is being filed in order to more clearly define the subject matter, and to bring claims 28, 32 and 33 into conformity with allowed claim 21. In particular, claims 28, 32 and 33 have been amended to recite that the CCVT is heated by heat rejected by the primary power unit. As such, Applicants respectfully submit that the patentability of the claims are not affected by this amendment, and therefore request entry of the amendment.

Applicants respectfully submit that no new matter is added by this amendment.

**CONCLUSION**

In view of the foregoing, applicants respectfully request the Examiner to enter all of the proposed amendments.

If the Examiner has any questions or comments regarding this matter, he is welcomed to contact the undersigned attorney at the below-listed number and address.

Respectfully submitted,
